

Historical Engineers

Presentation

- Prepare one slide with the following information for each of the 14 engineers:
- Slide 1 – title page with your name
- Slides 2 - 15
 - A picture of the person
 - When did they live?
 - Where did they live?
 - Why are they famous?
 - How did they impact the world?
 - Any other cool facts about them?
- Slide 16 – you pick an engineer not on the list!
- This presentation will be graded for a test grade!
